FOUR NEW MEN JOINED the military faculty this year: Captain Silvanic, Sergeant Alvarez, Sergeant Persinger, and Sergeant Saunders.

Sergeant Gabel received notice of reassignment in late February but his replacement had not as yet been named when the yearbook went to press.

The department is readying the corps for the annual inspection on which will depend the Honor Rating which the Academy has held continuously since 1948.

UNDERCLASSMEN

The Freshmen

WHEN A PROSPECTIVE CADET applies for admission to St. Joseph's Military Academy, he must be prepared to accept the responsibilities placed on every member of the corps. After acceptance by the school, he does not become a full-fledged Cadet until he has proven himself capable of fulfilling the demands placed upon him. He must co-operate in every way in helping the school fulfill its motto: "To Build Men."

Here, then, are the 126 freshmen who are taking their first steps into manhood.

The Sophomores

THE SECOND PHASE of the Academy's program "To Build Men" - training in leadership - occurs during the sophomore year. As freshmen, the Cadets were taught how to take orders, as sophomores, they are now taught how to give them. Beside training in leadership, they are also groomed in courtesy and manly bearing, qualities which are required in every leader.

The Juniors

THE JUNIOR CADET begins to bear the burden of responsibility. Supplementing his training in leadership, he is now given an actual position as leader in the corps. As a junior leader, he learns the practical as well as the theoretical aspects of guidance and leadership. Upon his fulfillment of these duties as a junior officer will depend his promotion to a senior office in his senior year.

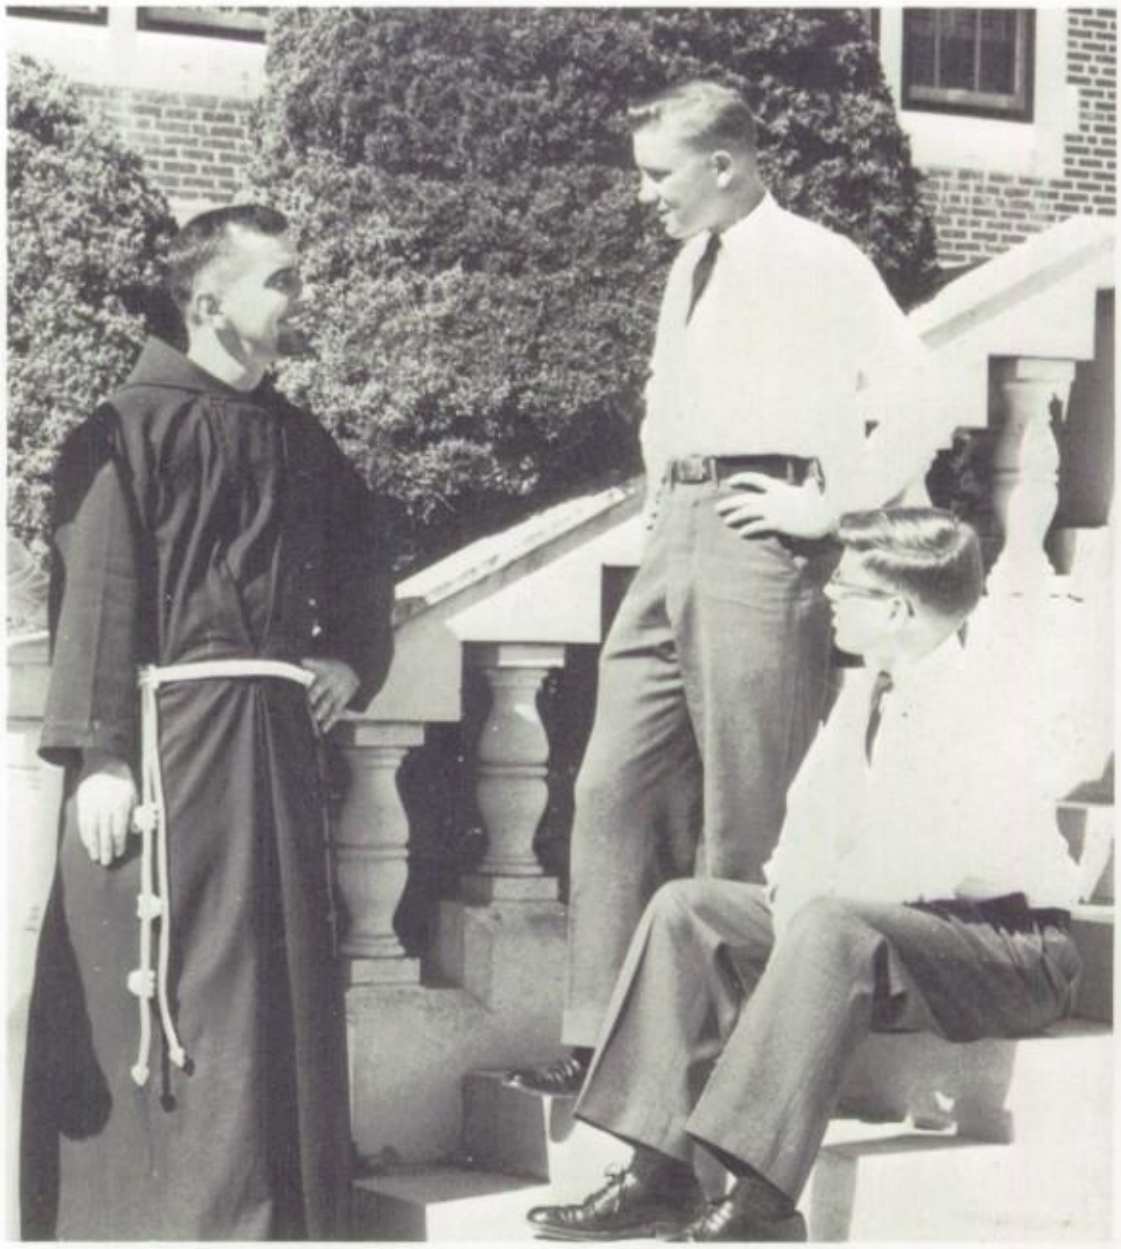
ACTIVITIES

Religious Activities Are Many and Varied

THE CADET'S RELIGIOUS LIFE is fostered by a Catholic atmosphere, daily Mass, annual spiritual exercises, the course in Christian Doctrine, societies and other activities conducive to forming the truly Christian man.

In the Catholic philosophy of education, Religion is the fourth "R", necessary to educate the "complete" man since his ultimate aim is eternal life. The Third Order of St. Francis was instituted primarily for this purpose and so is part of the religious life of the Academy.

A spiritual director is at the call of any Cadet for direction and discussion of any personal matters.



FATHER SIMON CONRAD, O. F. M. CAP., retreat master, chats with Barry Schmidt and William Dale.

FATHER CLEMENT NAEF, O. F. M. CAP., moderator, holds a preliminary meeting of the Third Order with M. Kalahurka, J. Klunk, T. Turner, B. Boos, R. Van Nimwegan, C. Portman, M. Ohmes, J. Stewart, and L. Broski.

C.Y.O.

THE CATHOLIC YOUTH ORGANIZATION at St. Joseph's Parish, Hays, is the center for much of the religious and social life of Catholic students in this area. The club has members from St. Joseph's Military Academy, Marian High, and Hays High.

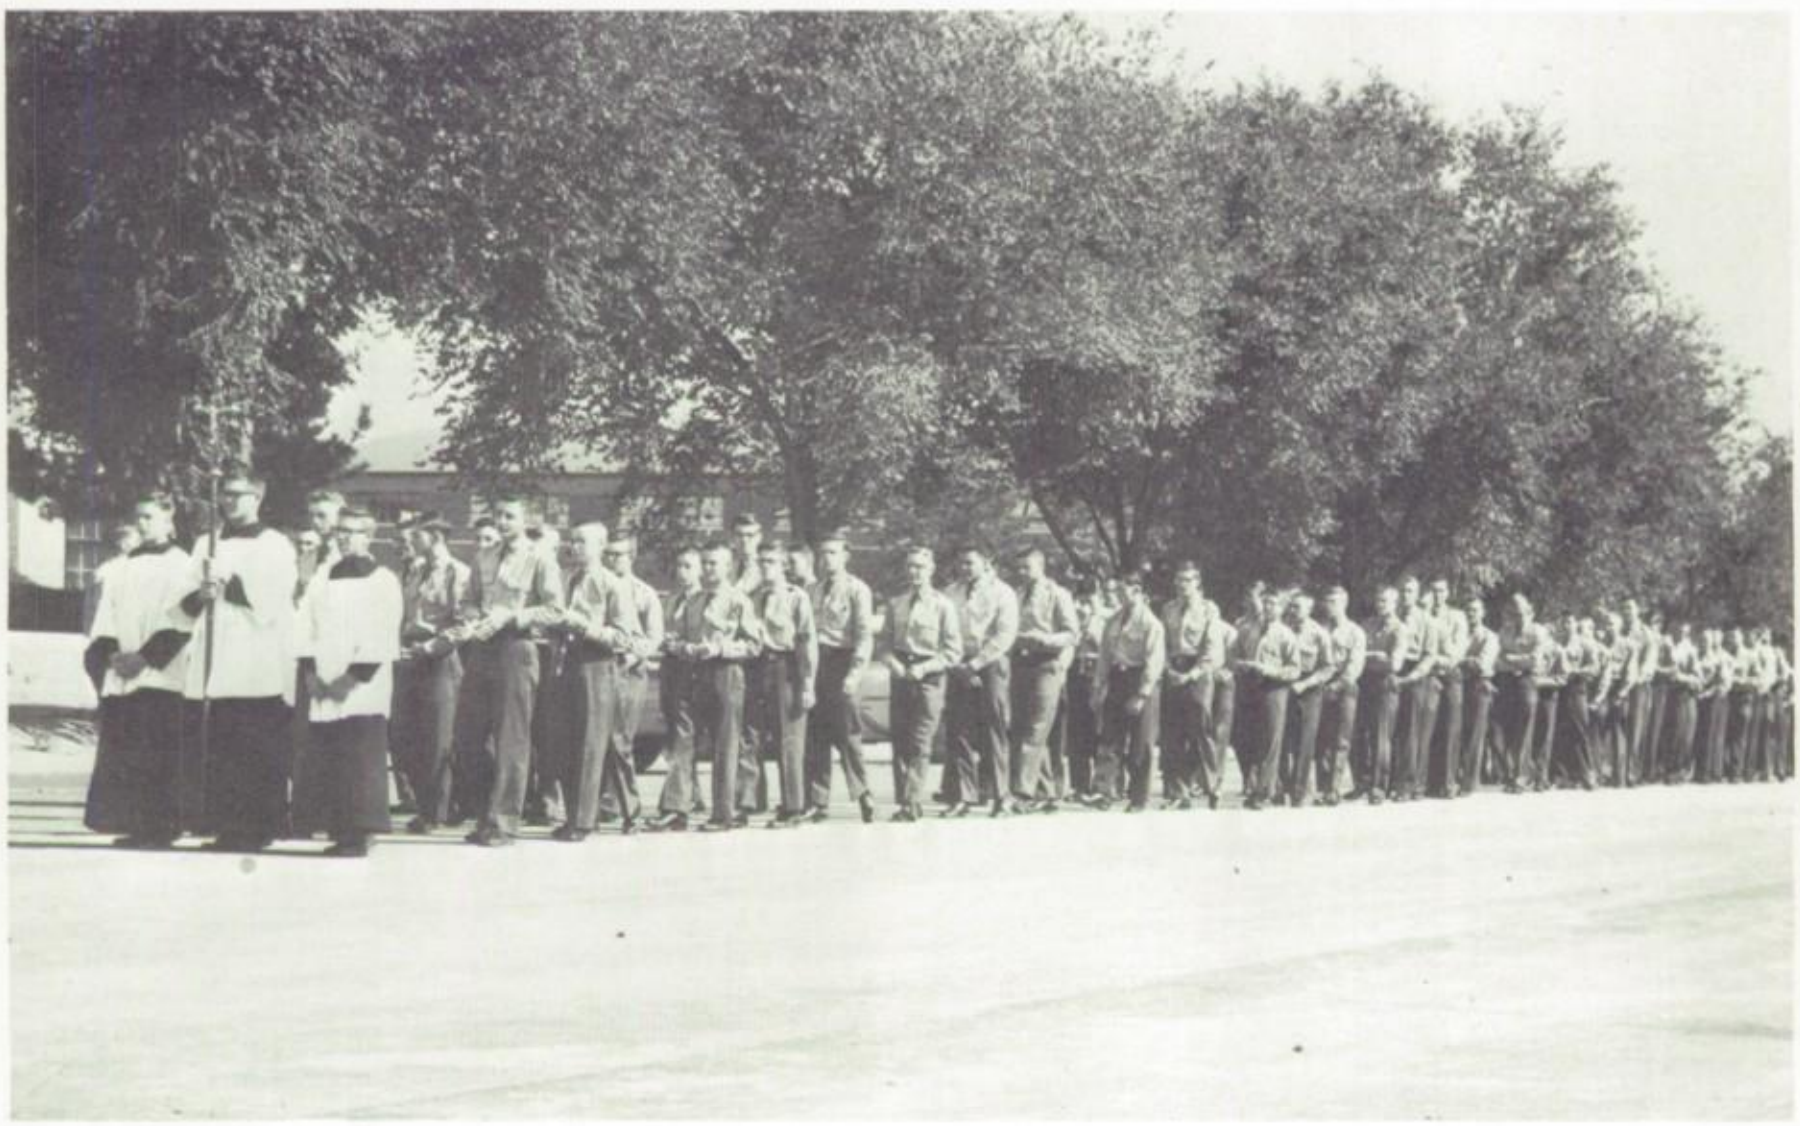
Cadets from the Academy hold top offices in the group: Frank Windholz is President; Francis Dinges is Vice-President; Gary Neuburger is Spiritual Director.

The CYO annually holds an oratorical, an apologetical, and a talent contest, and also provides wholesome social activities for its members.

Moderator of the group is Father Jean Heywood, O.F.M. Cap.

GARY NEUBURGER and KENNETH HERMAN discuss material for the apologetical contest in the photo above. Herman placed first, Neuburger received honorable mention.

THE DAILY ROSARY PROCESSION, shown below, was part of the annual spiritual retreat exercises held this year on October 12 and 13.



PTG Sponsors Inter-Com System For The Academy

THE PARENT-TEACHERS GUILD grows stronger with each passing year. The annual PTG Carnival is always popular and well attended and is its largest source of income. The group voted to finance the building and installation of an inter-com and loud-speaker system in both buildings. The December meeting always includes the Christmas Party, photos of which are shown on this page. After an exchange of gifts an informal dance is held.

HOSTESSES AT THE CHRISTMAS PARTY were Mrs. A. Schmidt, Mrs. A. Keberlein, Mrs. C. Pfannenstiel, Mrs. L. Bieker, Mrs. P. Brungardt, Mrs. W. Walters, Mrs. E. Dreher, Mrs. F. Dreher, Mrs. J. Staab, Mrs. T. Walters.

THE ALUMNI ASSOCIATION presented a check for $500 to the library improvement fund. At right, Mr. Alex Schmidt, president, and Mr. Wendelin Sander, secretary, present the check to Father Canics, librarian.

SCHOLASTIC HONOR ROLL members for the first semester are shown in the center picture. They are, left to right, seated: Charles Polifka, Francis Luecke, Francis Cook; standing: Robert L. Kreutzer, Andy Larkin, Gary Leikam, David Sindelar, and Stanley Sramek.

Welding and Metal Working Are New Courses

WELDING AND METAL WORKING were added to the curriculum this year with Mr. Gerald Sadowski in charge. The large room in the "Ag" building was equipped for both electric and acetylene welding. An adjoining room was supplied with steel lathes and other equipment useful in metal working.

Welding students take one semester of welding and one semester of basic electricity.

FATHER FELIX, O. F. M. CAP. , opens the young Cadets' minds to the wonders of modern science in General Science. He is shown above during a class session as he explains the intricacies of planets and satellites in orbit. Greg Lewis is at the lower left.

THE BIOLOGY CLASS, under Father Valerian, O. F. M. Cap. , investigates the other extreme in size in Nature when they study the cell and all of its secrets. Shown below, demonstration various innoculation techniques are, left to right: Andy Larkin, Steve Dillon, Leslie Dreiling, Mike Durall and Eddy Dreher.

FIELD TRIPS MADE a subject more interesting. Chemistry and biology students are shown above attending a conference on Blood Banks. Mrs. Lee Quintana, M. T., (ASCP) demonstrates some blood-testing techniques at St. Anthony Hospital.

THE CHEMISTRY CLASS also visited the local water softening and sewage disposal plants. They are shown below while visiting the water softening plant under the direction of Mr. Leo Wellbrock, plant engineer.

THE WORK OF THE SPONSORS of the yearbook and the school paper was lightened considerably because two Cadets had attended Kansas State University during the past summer to study journalism. New Roads, School Greet Arriving Students

THE ASSEMBLY AREA between the two buildings provides an all-weather surface for all out-door assemblies.

STUDENTS ARRIVING in September were greeted by the new asphalt roads around the school, and the completed building for Marian High School, south of the Academy campus. Another improvement was the installation of new lockers in the boarders' locker room. Part of the equipment in the day student locker room was also replaced.

THE FACADE of the Marian High School is pictured below.

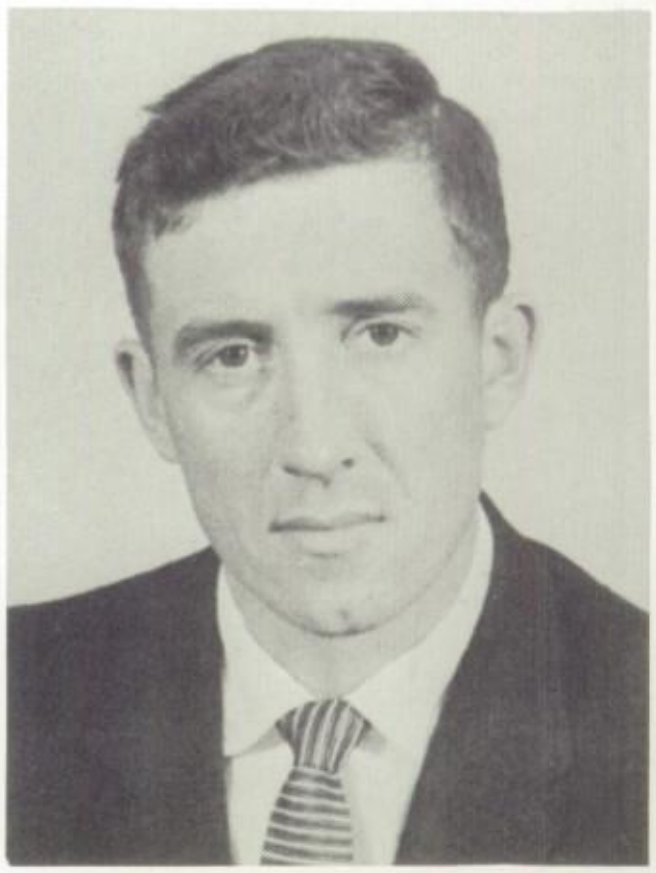
AARON FEIST



COACH GERALD SADOWSKI, in his second year at St. Joseph's guided the 1961 varsity to its most successful season in several years. The team brought home seven victories against one defeat. The Cadets also won the big one over their arch-rivals, Hays High, bringing them within one game of evening-up the all-time series with the Indians. The large number of freshman gridders will give the coach plenty of material to replace the graduating players.
